

Building your kitchen

Individual units come fully assembled, and simply bolt together.

- 1 Fairford BBQ housing unit**
This unit houses the Burford 5 gas BBQ in stainless steel or black, with double door storage beneath!
- 2 Ceramic egg unit**
Allowing you to introduce the most popular ceramic eggs into a Whistler kitchen, this unit gives customers the opportunity to build a Whistler kitchen around a charcoal BBQ.
- 3 Triple drawer unit**
These durable, soft closing drawers provide ample storage space for those looking to keep cooking and entertainment equipment outside.
- 4 Double door unit**
This heavy duty double door unit allows you to store and hide outdoor equipment within.
- 5 Fridge**
Keep the entertainment flowing with cold drinks at hand in the double Fairford Fridge.
- 6 Sink**
A large stylish sink unit with ample storage beneath, plastic bin included within.
- 7 Gas bottle unit**
Offering a double door gas bottle cabinet, designed to store and hide up to a 13kg gas bottle with a supporting slide-in shelf within.
- 8 90 degree corner units**
The 90 degree corner units offer ultimate versatility by allowing you to create an L or C shaped kitchen to suit your outdoor space.
- 9 Side burner**
The side burner provides you with a secondary heating source and searing tool, to use in line with the main BBQ burners.

Building your kitchen

BBQ

At the heart of every fairford kitchen is the Burford built-in gas BBQ. Comprising of two colourways, black or silver, these BBQ's are made of high grade stainless steel, hold a limited lifetime warranty and include cooking surface lights, an infrared back burner, rotisserie and cover.

Charcoal Lover? We've got you covered!

This versatile modular range is not limited to gas BBQ's – it's perfect for charcoal BBQ lovers too! We have specially crafted a unit designed to house ceramic egg BBQ's (Kamado Joe and Big Green Egg), allowing you to build a complete kitchen around your charcoal BBQ with Whistler units.

Fairford Outdoor Modular Kitchen

The Fairford Outdoor Modular Kitchen comprises of stylish yet practical units that make up the ultimate al-fresco centrepiece for all outdoor spaces.

Create a bespoke kitchen that suits your space and budget, by choosing from a range of functional units, or pick one of our pre-designed layouts!
